

CONCRETE MIXER BT EXPERT 200

Use

Professional electric concrete mixer,
for heavy duties and construction works.

Intensive use

1 bag
of
35 kg

Per mixing

- 1 Full protection of the rim: reduces the risk of accidents
- 2 Steering wheel high diameter and tilting movement ratio, lubricator on the steering wheel axle
- 3 Fork guides
- 4 Bow handles
- 5 Pedal for locking and unlocking of the drum
- 6 Reinforced frame and pedal spring protection

2 curved double mixing blades machine-welded for an optimal mixing

- 7 Lubricator on drum bearings
- 8 Ball bearings protection cap

Product advantages

- Compact motor, thermic protection. Engine cover in steel sheet. Steel pulley. Belt tension adjustment possible.
- Entirely welded drum. Reinforced drum edge.
- Lubricators on drum bearings and pinion axle (3 bearings on the pinion axle).
- Solid rubber wheels large diameter Ø 275 mm.
- Fork guides. Reinforced structure.
- Minimal maintenance, easy to clean.
- 1 year guarantee. Complies with the current standards and regulations.

Technical data

CEMENT MIXER BT EXPERT 200

Motor	Electric mono-phased motor. Supply: 220/240 V, 50 Hz. Power: 0,55 kw. Intensity: 4 A. IP 44 Protection. Trapezoid belt.	Sound intensity level	91 dB.
Drum	Drum volume: 190 litres. Mixing volume: 160 litres.	Dimensions	1435 x 760 x 1390 mm.
Structure	Rim and pinion in cast iron. Rim and pinion protection in composite material.	Weight	105 kg.
		Packaging and codes	Assembled x 1: 315520001 EAN: 315503155200 8
