

CONCRETE MIXER BT PRO 190

Use

Professional electric concrete mixer,
for construction works.

Regular use

1 bag
of
35 kg

Per mixing

- 1 **Full protection of the rim:** reduces the risk of accidents
- 2 **Steering wheel high diameter:** less effort to provide
- 3 Fork guides
- 4 One-piece **machine-welded frame**
- 5 Pedal for locking and unlocking of the drum

2 **curved double mixing blades** machine-welded for an optimal mixing

- 6 Lubricator on drum bearings
- 7 **Ball bearings protection cap**

Product advantages

- Open motor, thermic protection. Engine cover in composite material. Motor support in galvanised steel.
- Entirely welded drum. Reinforced drum edge.
- Lubricators on drum bearings and pinion axle.
- Solid rubber wheels Ø 250 mm.
- Fork guides. Frame lining on the engine side.
- Minimal maintenance, easy to clean.
- 1 year guarantee. Complies with the current standards and regulations.

Technical data

CONCRETE MIXER BT PRO 190

Motor	Electric mono-phased motor. Supply: 220/240 V, 50 Hz. Power: 0,7 kw. Intensity: 3,7 A. IP 44 Protection. Poly V belt.	Sound intensity level	94 dB.
Drum	Drum volume: 180 litres. Mixing volume: 150 litres.	Dimensions	1270 x 750 x 1370 mm.
Structure	Rim and pinion in cast iron. Rim and pinion protection in composite material.	Weight	67 kg.
		Packaging and codes	Assembled x 1: 315519001 EAN: 3155031551902
