

SITE EQUIPEMENT

PERFORMANCE CONCRETE MIXER CE

PERFORMANCE 200

Intensive use.
Major construction work, tiles, construction sites.

180 L

Drum volume

150 L

Mixing volume

Electric single-phased motor 220/240 V / 50 Hz.
0,95 kw power.

- Structure reinforced and fully mechanically welded.
- **Multiplier steering wheel.**
- With a grip to be easily moved.
- Tank with outer bearings.
- **Welded mechanical mixing blade are 2 doubles.**
- **Tank with reinforced side.**
- Cast iron rim and sprocket.
- Steel engine cover.
- **The tank can be locked and unlocked thanks to the non-slip pedal.**

Multiplier system :
+ PRO
- less effort to provide
