

# EXPERT 100 ALL GALVANIZED PNEUMATIC WHEEL

MADE IN FRANCE

Galvanized tray, with front ribbing for additional strength.

Alpha Frame with welded support which forms a strong cradle both at the front and on the underside of the tray to increase rigidity.

Bi-material handgrips = comfort and ergonomics when being used.

Crash-test 520 kg

Available spare parts

## FULLY WELDED WHEELBARROW

### ALPHA FRAME

Ergonomic and non-deformable, 2/3 of the weight of the load is borne by the wheel and the length of the stretcher reduces effort.

Its design allows the user to move forward without obstacles or discomfort to the legs, and avoids back pain during use.

## USE

Designed for heavy duties.
